Terms and Conditions [1]

TERMS OF USE

THESE TERMS OF USE GOVERN AND CONTROL THE USE OF THE WEBSITE OF THE CENTER FOR NANOTECHNOLOGY IN SOCIETY AT ARIZONA STATE UNIVERSITY (?ASU ?), INCLUDING THE NANOTECHNOLOGY IN CITY ENVIRONMENTS (NICE) DATABASE.

REVIEW THESE TERMS OF USE CAREFULLY. IF YOU DO NOT ACCEPT ALL OF THESE TERMS OF USE IN THEIR ENTIRETY, THEN ASU IS NOT WILLING TO PROVIDE YOU WITH ACCESS TO THE WEBSITE AND YOU SHOULD IMMEDIATELY DISCONTINUE YOUR USE OF THE WEBSITE. BY YOUR USE OF THE WEBSITE, YOU HEREBY AGREE TO BE BOUND BY THESE TERMS OF USE.

We may modify these Terms of Use from time to time in our sole discretion and without notice to you. You should review these Terms of Use periodically to ensure familiarity with their then-current terms and conditions. Your continued use of the Website following any modification of these Terms of Use shall constitute your acceptance of such modifications to these Terms of Use.

1. Website: The website of the Center for Nanotechnology in Society at Arizona State University (CNS-ASU), including the Nanotechnology in City Environments (NICE) Database (collectively, the Website) is provided free of charge to the public. CNS-ASU has developed and maintains the NICE Database as a part of the National Science Foundation (NSF)-funded TRC2 grant program.

The contents of the Website such as text, graphics, images, opinions, statements and information obtained from contributors and other material contained on the Website (collectively, Content) are for general research, educational and informational purposes only.

While CNS-ASU strives to deliver accurate information about nanomaterials or nanotechnologies and their resultant products or innovations, CNS-ASU cannot and does not guarantee the accuracy, completeness, timeliness, reliability or efficacy of the Content provided on the Website at any time. The nature of emerging technologies means these technologies will be reviewed, evaluated and discussed by other parties. The science referring to the potential risks, potential benefits, functions, sustainability challenges, and potential uses (either intended or unintended) will inevitably evolve over time as new or conflicting research emerges. The aforementioned fact in itself has a direct and lasting impact on the accuracy, completeness, timeliness, reliability and efficacy of the Content presented on the Website at any point in time.

CNS-ASU makes no guarantees, representations or warranties as to the accuracy, adequacy, completeness or currency of the Content provided in or linked from the Website. Neither the NSF, the Arizona Board of Regents (?ABOR?), nor any of their respective employees or affiliates
are responsible or liable for any claims, losses, expenses or damages arising as a result of the use or interpretation of the Content.

2. Use of Copyrighted, Licensed or Trademarked Material: This Website was created from and includes material which is believed to be in the public domain. If you believe that any item in this Website is protected under the terms of any copyright or other restrictions, please inform CNS-ASU by e-mail or by any other means. We will take the necessary action to obtain publishing rights or will cease to publish items which are known to be copyrighted.

ASU’s trademarks, service marks, word marks and logos (collectively, “ASU Marks”) are owned by ABOR. All other trademarks and logos mentioned in or displayed on our Website remain the property of their respective owners, and are used with permission, or to refer to specific products or services. CNS-ASU uses these trademarks only to improve the accuracy of identifying and describing those products or services.

3. Linking: By using our provided ASU Marks linking to ASU web pages, you agree to the following:

   a) You will not alter any ASU Marks or use the ASU Marks in any manner to make it appear that ASU is endorsing, sponsoring or affiliated with you or your company.

   b) You acknowledge the validity of ABOR’s ownership in all ASU Marks and will not contest such ownership or the validity of any registrations of ABOR relating to the ASU Marks. If you acquire any goodwill or reputation in any of the ASU Marks, all such goodwill or reputation will automatically vest in ABOR when and as such goodwill or reputation occurs. You agree to take all actions necessary to affect such vesting.

   c) You are prohibited from using the ASU Marks or any names, marks, or other materials in a manner that is likely to cause confusion with, dilute or damage the reputation or image of ASU or ABOR.

   d) You agree not to make negative or disparaging references to ASU or ABOR.

   e) You will not place ASU web pages in a ?frame? within your own website, without specific permission from ASU.

   f) ASU reserves the right to terminate this consent to use its link to its Website.

   g) You agree to immediately cease and desist using the ASU Marks and/or linking to our Website on our written or electronic request.

4. No Association: CNS-ASU has no formal association with any of the manufacturers, vendors, or suppliers (collectively, “Manufacturers”) of the products reviewed on the Website. CNS-ASU does not endorse (explicitly or implicitly) or criticize any products, services, processes or technologies reviewed on the Website. The thoughts, views, opinions, beliefs and experiences expressed by persons who choose to comment on any products, services, processes, or technologies reviewed on the Website (defined in Section 6 below as “User Material”) are those of the individual commenter and are not necessarily representative of ABOR, ASU or CNS-ASU.
All information, data, text, software, music, sound, photographs, graphics, video, messages or other User Materials, whether publicly posted or privately transmitted, is the sole responsibility of the user from which such User Materials originated.

5. Right to Change and Terminate: CNS-ASU reserves the right to change the Content of any or all of the Website pages. While we try to keep the information timely and accurate, we make no guarantee of any kind, express, implied or otherwise. Should errors be brought to our attention, every effort will be made to correct them. CNS-ASU reserves the right to terminate any or all access to the Website without notice. Any future modifications or enhancements to the Website shall be governed and controlled by these Terms of Use.

6. User-Generated Material: We offer users of the Website the opportunity to rate, offer predictions and comment on and engage in discussions regarding articles, companies, products and various topics. Any content, information, graphics, audio, images, and links you submit in connection with any of the foregoing activities is referred to as User Material in these Terms of Use and is subject to various terms and conditions as set forth below.

You understand and agree that User Material includes information, views, opinions and recommendations of many individuals and organizations and is designed to help you gather the information useful in your research and/or decision making. Importantly, you are responsible for your own decisions and for properly analyzing and verifying any information you intend to rely upon. We do not endorse any recommendation or opinion made by any user. We do not routinely screen, edit, or review User Material. However, we reserve the right to monitor or remove any User Material from the Website at any time without notice. You should be aware that other users may not be who they say they are. We take no action to perform a background check on any of our users. You should also be aware that other users may use the Website for personal gain. As a result, please approach messages with appropriate skepticism. User Material may be misleading, deceptive, or in error.

If you upload, post or submit any User Material, you represent to us that you have all the necessary legal rights to upload, post or submit such User Material and it will not violate any law or the rights of any person. You agree that upon uploading, posting or submitting information on the Website, you grant ASU a non-exclusive, transferable, worldwide, fully paid-up, royalty-free, perpetual, irrevocable right and license to use, distribute, publicly perform, display, reproduce, and create derivative works from your User Material in any and all media, in any manner, in whole or part, without any duty to compensate you. You also grant us the right to authorize the use of User Material, or any portion thereof, by other users in accordance with these Terms of Use, including the rights to feature your User Material specifically on the Website and to allow other users to request access to your User Material, such as for example through an RSS Feed.

7. Rules for Online Conduct: You agree to use the Website in accordance with all applicable laws. You will not e-mail or post any of the following content anywhere on the Website:

- Content that defames or threatens others
- Harassing statements or content that violates federal or state law
- Content that discusses illegal activities with the intent to commit them
- Content that infringes another's intellectual property, including but not limited to, copyrights, trademarks or trade secrets
- Material that contains obscene language or images
- Advertising or any form of commercial solicitation
- Content that is otherwise unlawful

8. Disclaimer Regarding Content of Related Web Sites: To the extent the Website includes links to other sites (\textit{Linked Sites}), ASU neither endorses nor is affiliated with the Linked Sites and is not responsible for any content that appears on the Linked Sites. Further, CNS-ASU does not review or monitor the Linked Sites and specifically disclaims any responsibility for any Linked Site. This disclaimer extends to the possible presence of harmful or malicious programs which may be embedded in the Linked Site?s web pages or distributed by any means to the user upon visiting the Linked Site. It is your responsibility to review any privacy policy or terms of service posted on the Linked Sites.

9. Jurisdiction: This Website is controlled and operated by CNS-ASU from its offices within the State of Arizona, United States of America. CNS-ASU makes no representation that materials in the Website are appropriate or available for use in other locations. Those who choose to access this Website from other locations do so on their own initiative and are responsible for compliance with local laws, if and to the extent applicable.

These Terms of Use shall be governed by and construed in accordance with the laws of the State of Arizona. If any provision of these Terms of Use shall be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from these Terms of Use and shall not affect the validity and enforceability of any remaining provisions. This is the entire agreement between the parties relating to the subject matter herein and shall not be modified except in writing, signed by ASU.

10. Disclaimer/Limitation of Liability: The materials, information and technology in this Website are provided \textit{as is} without warranties of any kind, either express or implied, including but not limited to, any implied warranties of merchantability and fitness for a particular purpose. CNS-ASU does not warrant or make any representations regarding the use or the results of the use of the materials in this Website in terms of their correctness, accuracy, reliability or otherwise. Under no circumstances, including but not limited to, negligence, shall CNS-ASU be liable for any special or consequential damages that result from the use of, or the inability to use, the information and materials in this Website, even if CNS-ASU has been advised of the possibility of such damages. Applicable law may not allow the exclusion of implied warranties, or the limitation or exclusion of liability.

\textbf{PRIVACY}

The Website is governed by the Arizona State University Privacy Policy, available at \url{http://www.asu.edu/privacy/}. 
CNS-ASU research, education, and outreach activities are supported by the National Science Foundation under cooperative agreement #0937591.
